Good afternoon Mr. Fox. I reviewed the documents you mailed to us this week. Your receipts are for what we consider normal maintenance. These are repairs that must be made to keep the vehicle up and running. We are settling this loss as follows.

ACV: \$2800.00
TAX: \$168.00
NET: \$2968.00

Do you have a lien on this vehicle? If there is not a lien, we will mail the first payment to you in the amount of \$2240. Once we get the title and the Power of Attorney from you, then we will issue the 2nd payment in the amount of \$728. Amica will send you the Power of Attorney with your first payment.

I need to know what type of foam mattress you had before the accident and when was it purchased. I need to know how old the comforters were that were involved in this loss. I did review your receipts for the new mattress and comforters but still need to know more info on the old items. I need a description on the file boxes that were involved in the crash, the cost and the age of the boxes.

We do not reimburse fuel, mileage or insurance charges. We do not reimburse for shipping, faxes, copies or postage fees. We will not reimburse you for your copy of the police report. We have paid fees for our copy of the police report.

If you have any questions, please write or phone me. I will be in the office until 5pm today.

Subject : RE: L27200601489D/ Patson

hello ms. erekia hudsons..

just check the emails, and see you have recieved my reciepts..

your offer is way off as i can see.

also i installed a 200.00 dollar 3 point hitch on the back of my van, when i left florida in oct of 2004..
to pull my trailer

this is a complete extra added to the vehical, plus that does not include the reciever that goes with it, in the amount of 40 dollars...so right here your offer is off 240.00 dollars...

i ask you this, if you where going to buy the same vehical i have, and there where 5 you where looking at, and where all the same, but i had all the service records and new parts installed, but was asking more money, which vehical would you buy...

i would think you would want to buy the one that was just mechanically fixed in all areas, from the transmission to the new front axles to new wheel bearings, to new front and rear brakes, to new exhaust system including the caditic converter, to new fuel pump to new starter, new water pump to new tune up and fuel injectors clean, new battery, brand new tires and inter tie-rod, along with new wheel alignment....

as you see all the reciepts for the repairs, when i buy another used car, i will never be able to find another one as mechanically sounds as mine was...

theres a great possibility that i would have to pump all kinds of money back into another used vehical..

and i am the loser here, and i was a parked vehical, that your insured destroyed my vehical--its called property damage....

i would like to recieve 7000.00 for all the damages she caused...and there the reciepts to prove it...

plus an additional 1500.00 dollars in extra reciepts and time consuming time involved in this property damage claim...

also i have the title, and i will run a copy of it, or do you need the original one. also i have a different mailing address than what you have. so mail nothing until you are ready to mail, i will be using a general delivery address at the nearest post office, where ever i'm at..

also what is the deal with the rental car, i turned the one in a couple of days ago, and started paying for the one i have now, i need to be reimbursed for this car rental. i would think you would pay for the car rental until i recieve my check and find another car.. i need an answer on all the above...from the amount of the car, the added extras to the car and improvements to the car,

thank you
michael fox

HELLO SHANNON WILLIAMS

WHEN I CAME TO YOUR OFFICE TO SEE YOU, BUT I SPOKE TO DAVID WATERHOUSE,
BECAUSE YOU WHERE NOT IN, THIS IS WHEN I GAVE DAVID WATERHOUSE ALL THE
RECIEPTS FOR THE VEHICAL.

I ASKED DAVID WATERHOUSE ABOUT MY RENTAL COVERAGE, AND WHEN AMICA INSURANCE
STOPS PAYING FOR MY RENTAL, DO I HAVE MY 30 DAY RENTAL ON MY CAR PER MY
INSURANCE POLICY, DAVID WATERHOUSE TOLD ME I DID, THAT I HAD 30 DAYS PER MY
INSURANCE POILCY...

I WILL BE SENDING YOU THE RECIEPTS FOR REIMBURSTMENT, AS I HAVE 30 DAYS ON
MY POLICY.

ALSO, I DO'NT UNDERSTAND WHY I CAN NOT BE GIVEN A CHECK FOR THE AMOUNT
OFFERED, WHEN I NEED THIS MONEY TO PURCHASE ANOTHER VEHICAL, ITS LIKE THE
INSURANCE COMPANYS ARE USING THIS AS LEVERAGE TO FORCE YOU TO TAKE THERE
OFFER.

THANK YOU
MICHAEL FOX

No payments will be approved past the days the claim was here with AIG. This is not per me, but company policy and management. FYI, you have UP TO 30 days of coverage for rental. Here at AIG, when a car is determined totaled, you have 3 days after the offer date to return rental, whether you agree or disagree with total loss amt.

Thanks.

Michael,

I am the adjuster who is handling the injury aspect of the accident and I need some additional information from you regarding the accident and your injuries.

Where were you in the car at the time of the accident and what were you doing? When did you first realized you were injured? What are your injuries? Did you get transported from the accident scene in an

ambulance? When did you first seek treatment and where did you go (name, address and phone number). When and where have you received treatment after that first visit (name, address and phone number)? Are you still receiving treatment? Are you employed? Have you missed any time from work as a result of the accident?

I have attached a medical records authorization that needs to be signed, dated and witnessed and returned. I need this to gather your medical records and bills related to the accident to evaluate and settle your injury claim.

Thank you. I look forward to hearing from you at your earliest convenience.

That is very bizarre because I sent you that email yesterday, but took your email address from a prior email.

Where are you currently staying - City and State - and how long do you anticipate being there. We could probably arrange for someone to meet with you within the next day or two, or next week and set up the meeting by email. The statement would be about 1/2 hour long and recorded, going over what happened in the accident and identifying your injuries.

Have you received any treatment besides going to the hospital on your way out of Houston?

Michael,

I never got a response from you to my 3/23/06 return email.

We really do need to have you meet with one of our adjusters to get more information on your injuries. Where are you currently staying - City and State - and how long do you anticipate being there.
